2018 New Law Workshop

Welcome!

Originally formed in 1952, the mission of the California Court Association (CCA) is to provide a forum for education and best practices in the development of court professionals. CCA has numerous committees working to continue the vision that began 66 years ago. One of those committees is the Legislation Committee. The committee is comprised of court managers, supervisors, attorneys, or staff from Kern, Monterey, Napa, Orange, Placer, Riverside, Sacramento, San Bernardino, San Diego, San Mateo, and Ventura. The Legislation Committee independently identifies legislation that may impact trial courts. The committee then analyzes the bills, looking for implementation issues, fiscal issues, and areas of confusion. Issues and challenges are brought to the Judicial Council's Office of Governmental Affairs. In the 2018 Legislative year, the Assembly and Senate introduced **2,637** bills. Of those, **1,564** were approved by both houses of the Legislature and sent to the Governor, who then signed **1,363** of them into law (**201** were vetoed).

CCA's New Law Workshop is designed to help court professionals navigate the legislative changes by focusing on those bills that have an impact on trial courts. More than **173** of those bills are provided in this report. During the New Law Workshop, the Legislation Committee members will summarize bills impacting administration, civil, criminal-traffic, family, juvenile, and probate. The workshop goals are to: (1) share the knowledge of the Legislation Committee in a casual and comfortable environment, (2) promote uniform implementation practices and procedures in the trial courts, (3) resolve issues of mutual concern, and (4) promote cooperation. At the end of the workshop, participants should leave with a thorough knowledge of the laws impacting their courts and what needs to be done when you get back to court.
