

CALIFORNIA COURT ASSOCIATION

WHAT OUR MEMBERS SAY

CORE PURPOSE

The California Court Association is an organization that aspires to help all employees of California County courts by providing opportunities to learn, grow, collaborate, share and excel. We value each individual and provide opportunities for them to develop, therefore the Core Purpose for the California Court Association is: "To support personal and professional growth."

"What can you expect from attending a CCA event? Expect to be inspired by the coming together of court professionals, from across the state, to learn and exchange ideas for the betterment of the courts they serve. Expect to learn more about the field you work in, engage in relevant training and network with others. Opportunity awaits you at www.calcourt.org."

~ Lorraine Benavides, 2017-2018 CCA President

"The things I enjoy/take-away from The Minute Book are the sections such as DMV information (since I'm on that committee), the President's Message (since members look up to top leadership of any organization they're affiliated with for direction), and the Legislative Update section is also something I peruse (since Sacramento is often making things more tricky for us)."

~ Anthony Villa, Orange County Court

"CCA has given me the opportunity to expand my knowledge in different areas of law by offering the variety of classes that they do. This also includes being able to complete the Leadership Certification Program, which will help me for promotions in the future. What I like most about CCA is that it gives members the opportunity to meet and network with fellow court employees from all around the state."

~ Natalie Smith, Courtroom Clerk, San Diego
